

April 19, 2011 Legislative Report – Prospector

I spent the morning walking the halls of the LOB and found quite a few offices staffed despite the recess, so was able to make some future appointments.

Then at 1:30 I walked several blocks down to Pearl St. and met with the Governor's Director of State Legislative Affairs. Our meeting was very cordial and informal and we discussed the roadblock and confiscation issues and he promised to bring these concerns to the Governor's Tourism and Transportation staff. Hopefully, this will be the start of an ongoing dialogue with the Governor's office.

Session will still be recessed next week, but I will be continuing to schedule future appointments Monday or Tuesday or both.
